Divya Raj

CSE (AI/ML) Undergraduate | Full Stack Web Development Intern
@ Future Interns | Design Creation Team Member – TPC, UIET MDU Rohtak | Python & Web Development | GSSoC '25 & OSCI Contributor | Open to Internships

Rohtak, Haryana, India

Summary

B.Tech CSE (AI & ML) student at Maharshi Dayanand University | Passionate about AI, Web Development, and Open Source

Hello! I'm Divya Raj, a curious and self-motivated tech enthusiast with a keen interest in Artificial Intelligence and Machine Learning. I love building real-world projects using Python, Flask, and modern frontend tools like Tailwind CSS.

My recent works include:

- Iris Flower Classifier using Python and Streamlit
- E-commerce Website using Flask + Tailwind CSS
- Eco-Diversity Awareness Website for biodiversity education

I'm currently exploring Open Source contributions and have applied for GirlScript Summer of Code (GSSoC) 2025 to grow through collaborative coding. I'm also learning Data Structures and Algorithms to strengthen my problem-solving skills.

Skills: Python • Flask • HTML/CSS • Tailwind CSS • GitHub • Streamlit • Machine Learning Basics

Open to internship opportunities and team collaborations where I can learn and contribute!

Let's connect and grow to

Experience

Future Interns

Full Stack Web Development Intern
January 2026 - Present (1 month)

India

Working as a Full Stack Web Development Intern under the Fellowship Program at Future Interns.

- Developing responsive web applications using HTML, CSS, JavaScript, and backend technologies
- Gaining hands-on experience in full-stack development and real-world project implementation
- Learning industry best practices, version control, and deployment workflows
- Improving problem-solving and practical coding skills through guided tasks and projects

This internship focuses on skill development, practical exposure, and project-based learning.

Maharshi Dayanand University (MDU), Rohtak

Design Creation Team Member

November 2025 - Present (3 months)

Rohtak, Haryana, India

Design Creation Team Member — Training & Placement Cell (TPC), MDU Rohtak

- Design and deliver visual content (posters, social media banners, event flyers, presentation decks) for TPC activities.
- Collaborate with coordinators to align creative direction with event goals and brand guidelines.
- Use Figma/Canva/Adobe (mention tools you use) to prototype and refine assets.
- Manage asset delivery timelines and maintain a library of reusable design templates.
- Contribute to increasing event attendance and social engagement through impactful visuals.

Girl Script Summer Of Code 2025 Open Source Internship

Contributor at GirlScript Summer of Code 2025 (GSSoC)

July 2025 - Present (7 months)

Rohtak, Haryana, India

> Selected as an open-source contributor in GirlScript Summer of Code 2025, a 3-month long open-source program.

Contributed to multiple open-source projects hosted on GitHub

Created pull requests, fixed bugs, and added new features

Collaborated with project mentors and fellow contributors through GitHub, Discord, and weekly sync-ups

Gained practical experience in version control (Git), team collaboration, and real-world software development

Tech Stack: HTML, CSS, JavaScript, Python, Flask, Git, GitHub, etc.

Open Source Connect
Open Source Contributor
July 2025 - Present (7 months)
Rohtak, Haryana, India

Selected as a Contributor for Open Source Connect India, one of the largest collaborative open source initiatives in the country.

Contributing to open-source projects and working closely with mentors and project admins via NexFellow.

Actively participating in tasks, events, and community discussions.

Sharing knowledge and collaborating with developers from across the nation.

Proud to be part of this growing open-source ecosystem and excited to make impactful contributions!

Education

Maharshi Dayanand University (MDU), Rohtak
Bachelor of Technology - BTech, Computer Science · (August 2024 - August 2028)

Gyan Niketan Patna
· (April 2010 - March 2023)
